1. Ceremony Music: If you would like, our church organist will be happy to play for your wedding. Call the church for our organist's phone number. Please make arrangements to discuss your selections as soon as possible. Guest organists and/or other musicians may be invited upon consultation with the pastor and organist.
2. Rehearsal: Please allow at least one hour for the rehearsal. It is important that everyone in the wedding party will be present. Please ask them to be prompt.
